

A SUN MEDIA SPECIAL SECTION

MY FIRST home

Quiet, countryside living

Bridlewood Mews is a country residential development in Lac St. Anne County just 20 minutes west of St. Albert on Highway 37 near Onoway. This unique community features 46 one-of-a-kind estate acreage home sites. The first phase is now selling and offers 18 fully serviced lots.

According to the developer, Ventures North Development, four of the lots will be sold with completed homes. Ventures North will be working with various builders including Rose Country Developments, Viceroy Homes and Whisper Creek Log Homes. Favourable pricing is also available for other builders.

The lots vary in size from two to 4.7 acres and start at just \$99,900!

With these very reasonable prices, families will be able to realize their dreams of living in the country with open spaces and customize a home that's designed to meet their every need. Bridlewood Mews will serve a wide range of purchasers from young families with children to people seeking a recreational property or retirement home.

The amenities near Bridlewood Mews are plentiful. Onoway, just five minutes away, has two brand new schools serving over 1,000 students from K - 12 and the town has a full range of shops and services. School bus service will be to your door, and shopping in Stony Plain, Spruce Grove, St. Albert and Edmonton are just a short drive away.

Bridlewood Mews is ideal

for people wanting a peaceful country lifestyle with over 20 acres of forested groves, open space and hiking or cross country ski trails to explore. The Onoway area is home to some of the finest hunting in the province and much of the land is fully treed.

There are seven large lakes within a 1/2 hour drive that provide ample opportunity for fishing, boating and various water sports such as water-skiing and wind surfing. Imrie Park, located two kilometres south of Bridlewood Mews on the shores of Devil's Lake, is a 216 acre park that features a trail system and a natural habitat viewing area in addition to camping, day use and group use facilities.
